

ECC 2010 Bulletin No. 3

3rd September 2009

Reminder

Dear ECC Skippers, Dear ECC Sailors,

Thanks to all the skippers who have already announced their participation up to today.

I also want to mention that all the payments received are correct and are not reduced by any transmission fee – well done, thanks again.

To those, who did not apply up to now please be aware, that the final entry date is coming closer.

Currently the list of participants is quite short! (approx. 40).

So there is still some space left for more applications!

Please do not wait until the last minute to send us your application for the ECC2010 soonest.

To give you a little bit more time we will accept all **registration entries**, that **arrive in time** even if the receipt of the **entry fee** will be on our ECC bank account in **reasonable time after the deadline** (transfer time).

If you have any questions please contact me directly by email or phone.
(email: khuetten@cbi.com, cell phone: +49 621 49494088 or +49 157 79074416)

Please note, that the major input we need right now are your notification of participation and the payment of the entry fee.

As today the **Entry List for ECC 2010** will close for receipt of entries on the **6th of September**.

Only for well-founded reasons we may accept entries with a short delay.

ECC Homepage

After some problems on establishing the ECC 2010 homepage you now can find the first actual information including the bulletins on the ECC homepage. We will try to keep this forum as actual as possible but we are still struggling with some start up problems.

Please distribute this information to anyone, to whom it may concern.

List of Eligible Skippers

Unfortunately we still do not have all the addresses of the eligible skippers. **The feedback to our request in the former bulletin is zero.**

So please feel free to forward this list to any eligible Skipper on the List whose email address is missing in the list and please inform the ECC Admiral (John Hall Hall) and the ECC Commodore (Klaus) of their respective address.
