

ECC 2010 Bulletin No. 5

22nd December 2009

Dear ECC Skippers, Dear ECC Sailors,

Now we know when and where to go for the ECC 2010, the boats are selected – so the big steps are done.

I hope now we will get the contracts soonest to finalize the boat chartering.

I think everyone was pleased with the way of selection and got the boat he wanted 😊.

Beside some problems with “spam-mails” I hope no one of you had real problems to find his boat.

Marina Biograd

Next year we will have 60 crews participating! Enclosed you will find the final list of the boat selection; please check if it shows the selection you have done.

Now the next issues must be approached. Maybe you can use the holiday time to prepare the requested information.

Final Crew List

For the further organisation we need now the exact number of crew members.

Therefore we need your final crew list. Please use the provided Excel file and fill in all requested information (see attachment). The actual list shall be available to us latest at the 15th of January.

Please fill in **ALL INFORMATION** even in case you may have done it already in the first round, as there are some more data requested and we want to work only with one data base.

Please send it back as Excel file (*.xls)

Logbook

In the ECC 2010 logbook we want to present the participating companies and all crews as it has done the years before.

Please provide your company logo and the photos of your crew members soonest, but latest until the 15th of January.

We would like to get the photos in the *.jpg-format. Photos of participants shall have the format 20 mm * 18 mm (height*width), in case you want to supply a crew-photo, the format should be

55mm X 50 mm (height*width). Additional help for us would be if you could include the crew members names in the photos – this would avoid wrong names/spellings.

Sponsorship

It's Christmas time, the time to think about presents.

We are looking for companies or persons that are willing to support our event. There are several possibilities to do so. Please find the details in the attached "Sponsor Letter".

As we have planed to have several evening events to increase communication and mingling, this would be a good chance for companies to present themselves as sponsor of meals, drinks or all together.

Please check, if your company may have interest in sponsoring the ECC 2010 or if you know any other company or anyone else that can be motivated to give us some support.

In case you need further information or assistance please contact Wolfgang or me.
